

Welcome to the HIE Help Center Resources List! Here, we list all the resources we've found online that we haven't found a place for elsewhere on the site! We're always trying to expand our link library, so if you have resources you think other HIE parents should know about, send us an email, and we'll add it to the growing resource list! For support groups, click [here](#).

Parent Perspectives (General Special Needs)
